TRINGO

TRIVIA, MEET BINGO

HOW IT WORKS

BINGO

We call out the numbers, just like a classic bingo game. B-7, I-17, N-40, G-62, O-73. You dab each number on your sheet as they are called. Get five in a row horizontally, vertically, or diagonally and you yell BINGO! We check your numbers, and if correct - you win! OR...

TRINGO

Each time we draw a number, we ask a trivia question. After you Bingo, can you TRINGO? Get all five questions right that correspond with your BINGO numbers, and you win the grand TRINGO prize each round. One trivia mistake, and we start all over again!
